Exhibit Halls A - C - Limitations

Height Limits

- The height limit is 24 feet measured from the floor up to the top of the hanging sign; however, there are areas where the height limit is significantly less due to the ceiling arches and lower ceiling areas.
- Ceiling height varies at the ends of Halls A and C. See next page for areas shaded yellow.
- Ceiling arch scale to the right.
- Lighting and truss may be hung above the 24 feet height limit but are not allowed to extend beyond the perimeter of the booth space.
- Rig points:
 - 2,000 lbs max dead hang
 - 500 lbs max bridled between 45° and 90°

Ceiling Arch Scale

View of Ceiling Arches

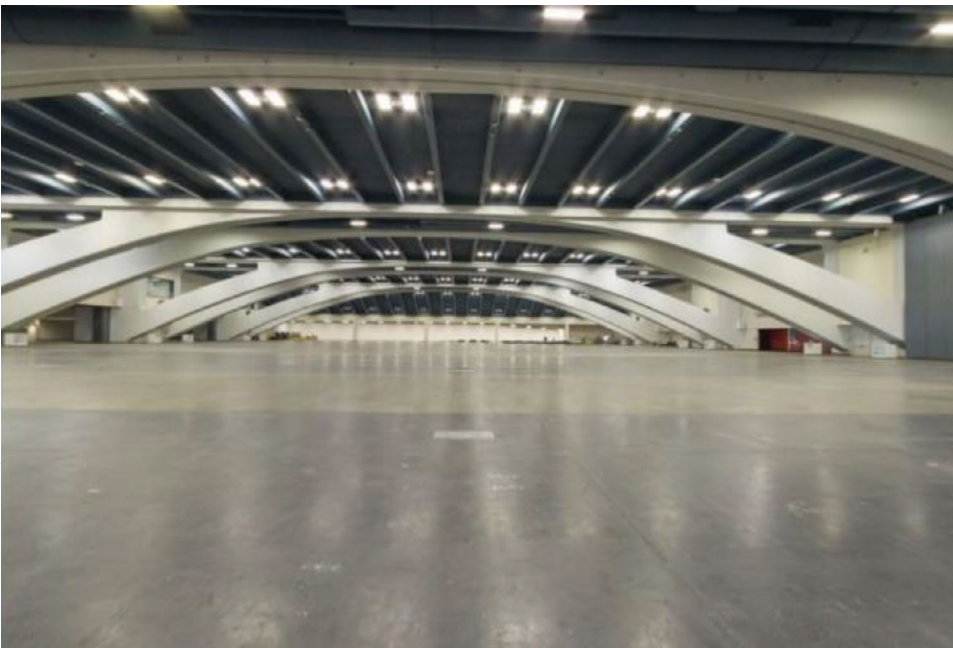

Exhibit Hall D - Limitations
